

Driven by Purpose

POWER IN VISION

Stay Committed, no matter how tough it gets

Keep pushing, even when no one's watching.

Building not just muscle, but mindset

With purpose in my heart, I carve my own way.

Love gives me strength

Earn it. Feel it. Want more.

Driven by the Grind

Grateful for the people who believe in me.

It always seems impossible until it's done.

Growth is quiet. But one day, you'll look back and see how far you've come

Believe and Achieve

Reflection

*WHAT DID YOU REALIZE OR LEARN ABOUT YOURSELF WHILE
CREATING THIS CAMPAIGN?*

I learned that every part of me — the student, the athlete, and the dreamer — connects through one goal: becoming better every day.

While creating this campaign, I realized how far I've come, but also how much more I want to grow. I'm always hungry to be better than I was yesterday. The process can be painful, and I make mistakes, but I learn from them — and that makes me stronger.

I'm also grateful for the people around me who support me, because without them, the journey would be ten times harder. Above all, I thank God for everything.

I have one big goal: to become one of the greatest, one of the wealthiest, and to make a positive impact on this world. I want to help millions of people after I lift my family and loved ones, and share my story to inspire others who started from the bottom, just like me. My goal might sound crazy, but I'll never stop until I achieve it. Now I realize that I'm driven by purpose — and even if the path is hard and painful, I'll keep going until I make it.
