Self Dev
Letter to Future Self

Hi, Romm James! Greetings from your past self. Yes, you read it right, ang nag'sulat netoh ay ang nakeraan mo.

First of all, I want to thank you for coming this far. You did it well, you survived and surpass the challenges in our life.

After all of the experiences you have right now, mag balik tanaw muna tayo sa nakeraan, mag-relapse muna tayo haha! Syempre para makita naten ang progress ng buhay naten, and mas ma'preciate mo ang mga naunyayari sa ating buhay.

So as of Sept. 18, 2025, araw kung Keilan Ko sinulat ito. Tayo ay working student, software developer sa Titus Global-Tech. Earning 32K, but syempre may tax and government distribution so 28k per month.

Sa CIIT tayo nag-aerial sa panahon na ito, and this is our 1st year, 1st term and we are paying our own tuition. At syempre, ang love mo ay cri Merelea, Ayjee!

Sa panahon na ito, meron tayong goals and dreams. Unang una, mag-earn 100K+ per month, maka-work or have an experience in Big Tech Company. Mapa'arel at mapa-graduate si MJ. Mapag-oón ng bahay sina mama at papa. Graduate sa CIIT na may Latin Honors or to be specific, Summa Cum Laude. Have a healthy and lean fit body. Be great and strong in Basketball. And lastly, marry and build a happy home and family with your love, Merelea.

Alam ko at alam natin sa sarili naten na Kaya naten matupad at makamit lahat yan. Baket nga yung iba na 'achieved' mo na haha. We are strong and we will surpass everything we'll face so Let's Go! Keep Going!

Always remember that do not and never give up, okay? We have a big dream and many goals in life that we really really want to achieve, right? Its okay to rest for a bit but don't give up so Keep going and fight!

Before I end this letter, I have a question for you, Romm. How was life? What are you feeling right now? Are you happy? Did we achieve anything? Whatever happens or ano man ang buhay naten ngayon, I'M STILL PROUD OF YOU!

So eyon lang haha I hope you're doing and feeling great, RommJames! Stay happy, stay healthy and Stay Strong. 1.1
